)

ALLEGED VIOLATION OF KRS CHAPTER 278

O R D E R

The Commission began this proceeding to review services and charges that AmeriCall Systems of Louisville, Inc. ("AmeriCall") may be assessing customers which services and charges are not contained in effective tariffs on file with this Commission as required by KRS 278.160.

By Order dated January 18, 1991, the Commission scheduled a hearing for the purpose of (1) obtaining additional information concerning AmeriCall responses, and (2) providing an opportunity for AmeriCall to present testimony showing cause why it should not be fined pursuant to KRS 278.990 for violations of KRS Chapter 278.

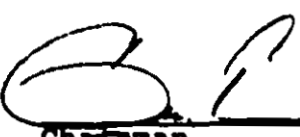

On January 31, 1991, the Commission, on its own motion, cancelled the hearing and scheduled an informal conference to enable AmeriCall to present its views and to identify issues.

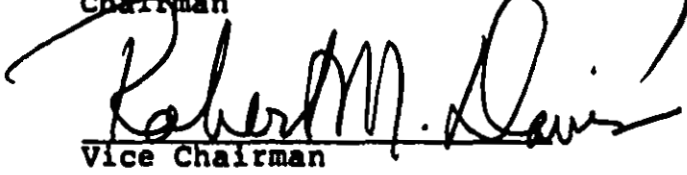

Having been otherwise sufficiently advised, the Commission HEREBY ORDERS that AmeriCall file a request for hearing and specify issues to be discussed at a hearing within 20 days of the

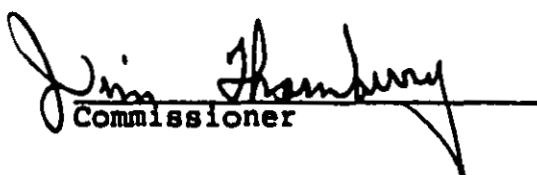

date of this Order, and if no request for hearing is received, an Order will be entered based on findings of fact contained in the record of this proceeding.

Done at Frankfort, Kentucky, this 6th day of May, 1991.
